- Initially you may make only one booking. When you have played in that slot you may book again. This will be reviewed when we have established demand.
- Small round mats will be provided free of charge to each member wishing to have a roll up. These are to be used instead of the large mats as a point from which to deliver your bowls. **Please keep your own disc mat and bring it with you every time you bowl.** This will mean we won't need to sanitize the large mats and make it safer for everyone.
